**HERS 2019 Standards Update Self-Certification**

**UPDATE:**

The 2019 Energy Efficiency Standards go into effect January 1, 2020. All 2016 certified HERS Raters are required to complete the self-certification process in order to update their HERS certifications for the 2019 Standards. Simply click on the 2019 Energy Efficiency Standards Overview to review the 2019 Update Training video. Upon completion of the video and review of materials, click the RED "certify" button below the reference materials. Once the "certify" button is GREEN, click on continue to process your certification.

2019 Energy Efficiency Standards Overview

**Reference Materials:**

- CalCERTS HERS 2019 Residential Alterations Manual
