This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at: P.O. Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, P: 888.370.7589 or 916.431.6959, F: 916.263.1897.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

School Official Date

Definitions

[1] "Number of Students Who Began Certification Program" means the number of students who began the first course required for the HERS Residential Alterations Certification within the designated year.

[2] "Number of Students Completing Certification Requirements" means the number of students who successfully completed all course work and certification requirements, including payments of fees and registration, within one year of taking the first course required for the HERS Residential Alterations Certification.

[3] "Certification Completion Rate" is the Number of Students Completing the Certification Requirements divided by the Number of Students Who Began the Certification Program.

[4] "Number of Graduates Employed in the Field" means graduates who are gainfully employed as a Home Energy Rating System (HERS) Rater for within six months after a student becomes a certified. To review a list of job classifications and placement resources please see our website at: https://www.calcerts.com/hers-training/certification-levels-for-raters/

[5] "Placement Rate of Employed in the Field" is calculated by dividing the Number of Graduates Employed in the Field by the Number of Graduates available for employment.

[6] Project average is determined by an assessment of projects entered in the CalCERTS Registry by the Certified HERS Rater within six months of certification.

[7] "Salary" is as reported by the student. CalCERTS did not collect salary information from its graduates prior to 2016. CalCERTS does not have salary information from its students for the 2014 or 2015 academic years.
